Big Sky was voted as the "Favorite Overall Resort in North America last year". That's pretty impressive! It's also considered the "Biggest Skiing" in America. The resort offers instant access to some of the most diverse skiing and snowboarding in the country; amongst breathtaking vistas and stunning views. The tram opens the door to some of the most advanced and steepest lift-accessed terrain in America.

You could be floating down a 2,000 vertical foot, powder filled bowl beneath Lone Peak; bobbing and weaving through the Bavarian Forest; riding the Lone Peak Tram for a bird's eye view of untamed wilderness. You'll find almost twice as many acres as there are skiers. Big Sky is known for its skiers having plenty of "elbow room". Not to mention, the Terrain Park is well known for its world class challenges for all skill levels.

We will be staying at The Lodge at Big Sky which is located in the heart of BIG SKY RESORT. Double occupancy rooms include a minifridge, microwave, wet bar, coffee maker, data ports and incredible views. The ski lifts, restaurants, and shops are within easy walking distance.

## The trip price includes:
