All the ingredients for the perfect ski weekend have been gathered and put into the Fall Line blender and the result is JAY PEAK! The slope side Hotel Jay awaits with comfortable rooms conveniently located just steps from the aerial tramway. Take in the 360 degree summit view, the vast trail and glade network; plus the wild back country chutes and "off piste" skiing terrain; you too will gain the sense of freedom, exhilaration and alpine adventure that cannot be found at any typical New England ski resort. We will enjoy scrumptious daily breakfasts and gourmet dining at night plus a wine and cheese party.

Jay Peak receives more natural snowfall than any other eastern resort! Some of the mountain features are 2,153' vertical drop, 74 trails, glades & chutes, longest trail @ 3 ½ miles, longest glade @ 1 ¼ miles, Vermont's only aerial tram, 340" average annual snowfall, 20 km of cross country skiing.
