St. Anton, with its Austrian charm, offers all the action of a full fledged resort and easy lift access with the most nightlife in the Arlberg region. It is one of 12 classic Alpine resorts which have joined to form the "**Best of the Alps**" Group. They represent the most prestigious winter sports destinations. Nestled in the spectacular snow-draped Arlberg range in western Austria, St. Anton is where people who prefer quaintness to massive sprawl come to ski vast and exciting runs. It is one of the most famous addresses in the world for winter sports. The pedestrian village with everything you could ever need makes it one of the best all in one destinations in the Alps. Lech and Zurs, founded in the 14th century are what modern resorts in the U.S. try to emulate.

St. Anton boasts the following facts:

- 85 lifts with 174 miles of trails and 112 miles of off piste terrain. Vertical drop: 4,944 feet.
- Top elevation is 9,222 ft, and its lowest, 4,278 feet, high enough to be snow sure, low enough to minimize altitude sickness.
- 20% beginner, 20% intermediate, 40% advanced and 20% expert.
- 24 miles of cross country trails
- 42 miles of winter walking trails

Your ski pass gives you access to this entire area which includes Lech, Zurs, St. Christoph and Stuben. The beautiful **4* Hotel Kertess** is a few minutes walk to the pedestrian zone. Features include a bar, sauna, indoor pool, steam room, and spa services. Walk to the Galzig Funitel Gondola with 28 24-passenger cabins with a spectacular ride from the village to the mountain in less than 10 minutes. Try the Rendl with its new sleek moving walkways and glide straight to the entrance! The hotel has its own ski bus or there is the free ski bus next to the hotel. Take a day off and travel to historic **Innsbruck** only an hour away to sightsee. Off the slopes, you can take advantage of the many activities such as ice skating, curling, sleigh rides, snowshoeing, sledding, cross country trails, and winter walking trails. Or try winter climbing or paragliding! We cap off the week with a night in Munich at the historic **4* Hotel Torbrau!**
