## EASTERN SKI COUNCIL CORNER

The Council would like to share the following news with you:

The **2023 EPSC Charity Golf Event** will be on September 11 at the Mainland Golf Club, Harleysville, with a 9 a.m. shotgun start. \$110 includes cart, prizes, lunch. Many thanks to its co-sponsor: MERCK Ski Club. More players are needed.

**2024 Carnival:** Heavenly Lake Tahoe January 27 – February 3. Fall line is going so.... Go

**2025 Carnival** will be at Steamboat, January 25 – Feb 1, 2025

**EPSC first International Ski Trip** will be to Val Gardena, Italy, in 2024. Some seats are still available. The International Trip for 2025 will be to Hakuba, Japan; and expected to be 14 days.

An easy-to-read **Discount Program** chart was developed for EPSC members seeking discount lift tickets at ski resorts. Members should "Like" EPSC on Facebook for new discount alerts. Same is available in the member secure area of the EPSC website.

Director of Safety, Gerit Lewisch, spoke about Collisions at the last EPSC meeting. He is a member of the National Ski Patrol, Prof. Ski Instructors of America, and an Emergency Medical Responder. Gerit reported catastrophic injuries were reduced over the last 10 years through equipment improvements to skis & boards, helmets, wrist guards, boots, and clothing. Currently, the #1 cause of snow sports injuries are Collisions due to changes in Behavior and Attitude. As always, on the slopes always be aware and adhere to the Skiers Responsibility Code.

What could make a summer evening more idyllic than warm breezes, the city skyline, the Philadelphia Orchestra, and fireworks? The "Phabulous Philadelphians" return with an evening of Tchaikovsky featuring Symphony Number 5, Romeo & Juliet, and topping it all off with the 1812 Overture. This is a picnic-friendly event. BYO Everything. We'll be camped out on the lawn so bring a blanket or a low-back lawn chair. Tickets are \$25 at the box office.

Tickets for June were already purchased but you can still get tickets directly from the Mann or TicketMaster. We will be on the lawn. Please text John Kennedy at 856-761-2863 or email at [johnkennedy0880@comcast.net](mailto:johnkennedy0880@comcast.net) so we can try and save a space for you or talk about car pooling.

## HAPPY HOURS

Fall Line has a new Happy Hour Coordinator with a familiar face – Debbie Cary. Do you have venue suggestions for a happy hour or interested in a brewery or winery? Are you interested in hosting a BYOB happy hour at your home give Debbie a call at 609-471-3723 or drop her an email at [fedgirl92@gmail.com](mailto:fedgirl92@gmail.com).

## NONA'A NOTES

Despite the ever warming weather telling us that summer is on its way, as a ski club we are already starting to "think snow." Our trips all opened at the May meeting and hopefully you were able to jump on your trip of choice. All of the trips are to top notch destinations. Spread the word to your friends and families and do not forget Fall Line now includes family memberships so your family members 15 and older can join our trips!

Also, if you have not already done so, please remember to send in your dues. Many of you may not know but Fall Line is a member of the Eastern Pennsylvania Ski Council ("EPSC") so your paid membership in Fall Line also makes you a member of the EPSC. This organization, consists of approximately 38 member clubs throughout the mid-Atlantic region. In addition to the "carnival" trips individual benefits include many discount programs offered by local resorts through the EPSC. Fall Line will be providing its member lists to the EPSC so you will be able to go onto the EPSC web site ([easternpaskicouncil.org](http://easternpaskicouncil.org)), register as a member and access all of the benefits of membership in that organization. For example, Bear Creek offers \$30.00 discount tickets Monday – Thursday to EPSC members. Make sure you keep your Fall Line membership card handy and it has the EPSC sticker on the back! The EPSC also offers racing programs and golf outings with the money raised going to various charities including Special Olympics, PA Center for Adaptive Sports and Wounded Warrior Patrol.

While I have been focused on skiing, June means that summer activities are in full swing with weekly golf outings at Frog Rock, bike trips, kayak trips and other summer activities. John Kennedy continues as Social Trip chair and always welcomes new ideas.

Finally, I cannot let this article pass without saying welcome to our new Happy Hour coordinator, Debbie Cary. While we continue to visit the usual favorites do not hesitate to reach out to her with recommendations and suggestions for new places to visit.

This is also a reminder of the crucial role volunteers play in keeping the ski club working. As I write this article we are still looking for a Secretary and President-Elect to fill out the board. Volunteers are the life blood of any organization and determine whether it will continue. The board meets via Zoom which makes it accessible to all. Please consider volunteering to keep Fall Line running for future skiers!

# BIKING: ATCO TO MARGATE JUNE 3 (RAIN DATE, JUNE 4)

By John Kennedy

Once again, we're heading "downa shore" on 2 wheels, a tradition that dates back at least 30 years.

The total distance is 61 miles and we'll ride at about 12-14 mph (but feel free to set your own pace). Here is how it works:

We meet in the NJ Transit train station in Atco about 8 AM on June 3. Entrance is off of Route 73 northbound, just south of Jackson Rd. Everyone signs a waiver as per club policy, I'll hand out directions which have been handed down for

about 30 years, with a few modifications and answer any questions, then we're off by 8:30. Keep in mind, this is not just a ride. This is a day out. In the first 55 miles, we'll stop for breakfast at a beautiful outdoor garden center (Red Barn), have a drink at Lake Lenape, and stop for ice cream at Dairy Queen in Somers Point before having lunch at Maynard's in Margate.

Then we bike 6 miles to Atlantic City, staying on the Boardwalk as much as possible and head to the NJ Transit train terminal for the ride back to Atco. I hope to have a sag vehicle for this (Ken, are you available?)

Road bikes are preferable as the ride is on asphalt. Keep in mind that we will be in a lot of rural areas and county roads where the shoulders are narrow. It is fairly flat but there are a few long, annoying inclines plus 2 bridges at about the 52 and 53 mile marks. The view of the ocean from the top of the Somers Point-Longport Bridge is pretty awesome.

We should reach Margate by 3 PM. After lunch, we head to the train station. You can bring your bikes on the train but they may limit you to specific cars and only 3 bikes per car (bring bungee cords). Also, bring masks as the establishments and NJ Transit may still require them. Cost for a train ticket is about \$5 and the ride to Atco is about 50 minutes.

I'll need a head count for this, so dust off your bikes (if you haven't already for the Valley Forge ride), get some legwork in and send me an email at [johnkennedy0880@comcast.net](mailto:johnkennedy0880@comcast.net). I'll send directions in advance to everyone who does.

See you on the road

# Fall Line Ski Club Book Club

## June 5, 2023

### Meeting Place - TBD -Contact Jeannie Nelson 6:30pm

The book for the month of June 2023 will be:

**The Monk (Oxford World's Classics) by Matthew Lewis**

'He was deaf to the murmurs of conscience, and resolved to satisfy his desires at any price.'

The Monk (1796) is a sensational story of temptation and depravity, a masterpiece of Gothic fiction and the first horror novel in English literature. The respected monk Ambrosio, the Abbot of a Capuchin monastery in Madrid, is overwhelmed with desire for a young girl; once having abandoned his monastic vows he begins a terrible descent into immorality and violence. His appalling fall from grace embraces blasphemy, black magic, torture, rape, and murder, and places his very soul in jeopardy.

Lewis's extraordinary tale drew on folklore, legendary ghost stories, and contemporary dread inspired by the terrors of the French Revolution. Its excesses shocked the reading public and it was condemned as obscene. The novel continues to beguile and shock readers today with its gruesome catalogue of iniquities, while at the same time giving a profound insight into the deep anxieties experienced by British citizens during one of the most turbulent periods in the nation's history.

**ABOUT THE SERIES:** For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other

valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

If you want to get a jump on July's Book Club reading it is Illuminations: A Novel of Hildegard von Bingen by Mary Sharratt.

There are many places to get books. Your local Library (free) you can get books, CD's or on your e-reader (Nook, Kindle, Smart Phone & etc.) From the Library you can get (must have a Library card) download the apps Overdrive, Libby, Hoopla, there are also get free movies. There are many sites that offer books anywhere from free to \$2.99 each. Chirp is another audio book site that offers books every day from .99 to 4.99 every day. There is no membership, just pay for the book and listen on your phone or blue-tooth.

### EVERY WEDNESDAY WEEKLY GOLF BEGINS AT FROG ROCK COURSE, 420 BOYER AVE., HAMMONTON, NJ, 5:00 PM (TEE TIME 5:30) CONTACT BEVERLY NEAL AT [BEVERLYA-NEAL@YAHOO.COM](mailto:BEVERLYA-NEAL@YAHOO.COM)

Beginning May 17 and every Wednesday through mid-September, so long as the weather and daylight hold out, the Fall Line linksters will head for Frog Rock in Hammonton. Frog Rock is a lovely wooded course just off Route 30 in Hammonton. You don't have to be an expert golfer (trust me, I'm not). We play a best-ball format for 9 holes so you don't have to worry about hitting your ball in the trees or the water. Somebody is always able to put one down the middle. We usually play in teams of 4 and after we're done, head to the clubhouse for a box lunch (BYO drinks). Cost is \$25 and includes nine holes of golf, an electric cart, and the box lunch. We try to tee off by 5:30. Contact Beverly Neal at [beverlyaneal@yahoo.com](mailto:beverlyaneal@yahoo.com) for more info.
