Since its inception in the '60s, Jackson Hole Mountain Resort has been the proving ground for extreme skiers looking to make a name for themselves. The terrain at Jackson is known across the globe for being some of the most challenging, however there are dozens of wide-open trails for beginners and picture-perfect cruisers and progressive bump runs for intermediates, and much more. Jackson Hole often experiences an inversion, where cold air is trapped by clouds at the base of the mountain, while the top of the mountain is gorgeous and sunny with visibility for miles. Skiing in Jackson Hole is like skiing in the clouds. It's truly breathtaking.

At Jackson Hole ski resort, you'll be awed by the breathtakingly rugged Teton mountains, and equally wooed by the authentic and welcoming Wild West atmosphere that pervades both Teton Village and downtown Jackson Hole, which are 15 minutes apart. Everything about Jackson Hole, even down to the shopping and dining is reminiscent of a bygone day and makes for one unforgettable ski vacation.

If you're looking for a half-day tour, ask a Mountain Travel Expert about the four-hour luxury van tour to Grand Teton National Park with Scenic Safaris, and if you've been dying to see the Old Faithful geyser in its wintertime splendor, have them sign you up for the 12-hour Yellowstone snow coach tour. The more adventurous can experience Grand Teton National Park via a half-day snowmobile tour, and the uber adventurous can spar with the elements on a full-day snowmobile tour to Old Faithful.

The 49er Inn, our hotel for the week, is just 3 blocks from Jackson's Town Square, within easy walking distance of the famous nightlife, quaint restaurants, shopping & art galleries. The 49er was recently completely renovated – you'll find a beautiful lobby and hotel to dazzle the eyes.
