FALL LINE SKI CLUB

FALL LINE SKI CLUB AND SOUTH JERSEY SKI CLUB SHAD FEST AND BIKE RIDE

We will be riding along the Delaware Canal path up to the "Shad Fest" in Lambertville, NJ, having lunch and drinks at The Lambertville House Hotel, and browsing through the festival while listening to live music. The ride to Lambertville and back is 14 miles. Those wanting to ride more keep on going onto Stockton or beyond, and back. There is no charge for this event!!

About the Day: Nice, leisurely riding - This is not a race. This ride is for everyone. You can eat lunch at Lambertville House Hotel or at any of the food stands in the food court. Everyone is free to walk through the festival on your own and at your own pace. If you like you can also walk over the bridge, and you will be on the main drag in New Hope. The festival runs from 12:30 p.m. to 5:30 p.m.

Return to your car on your own, enjoy the day and leave whenever you desire.

Last year we had some people not ride and that was fantastic. For those not biking, a group traditionally meet at 12:00 noon at The Lambertville House Hotel, 32 Bridge Street, Lambertville, NJ, PH (888) 867-8859. Come and stroll around the festival. Look for us everywhere. There is public parking available near the fest.

For more information on the Shad Fest, go to www.Shadfest.com or contact Nona Luce (NonaLuce@FallLine.org) or Jeff Thomas (jctusa@comcast.net).

When: Saturday, April 20, 2024 at 10:30 am

Rain Date: Sunday, April 21. Same time, same place!

Where: Washington's Crossing State Park to Lambertville, NJ

Hosts: Nona Luce, 856-522-9867 and Jeff Thomas, 609-234-1111

Mountain bikes or Hybrid bikes are recommended. **Don't forget a lock for your bike.** There is a free bicycle valet service that is on the right side prior to Bridge Street (tips appreciated).

Meet us at 10:30AM at Washington's Crossing State Park for setups, we depart at 11:00 **with or without you.** The parking lot area is located off of Rt. 29 and Washington Crossing-Pennington Road. Traveling on Rt. 29 North from Trenton when you reach that intersection turn left and a quick right into the parking lot. Park at the end near the restrooms.

NONA'S NOTES (AND MUSINGS)

By the time you read this newsletter, except for Tignes, France, this year's Fall Line ski trips will be a memory and many of us will start to turn our thoughts to spring. Hopefully everyone enjoyed (or is still enjoying) a great season of skiing and I hope everyone on the Tignes trip (which includes me) has a wonderful time! I want to say a special thanks to all of the trip leaders who went beyond the call of duty ensuring smooth (or almost smooth!) times for all participants on the trips. Unfortunately, travel in this post-pandemic era is never easy with overbooked planes leading to extreme challenges when winter makes itself known.

While there is still a chill in the air, my daffodils are getting ready to bloom so at least locally, the ground hog's prediction of an early spring may actually come to fruition. Whatever the weather, Fall Line looks forward to spring and summer with a host of new activities and return of some favorites. Thanks to Susan McChesney, bowling will return in March after a initial run in February (check out the social events calendar). The Shad Fest bike ride returns in April and I know other activities are being planned. As always the weekly happy hours will also continue. Keep your eyes tuned to the weekly blast for regular updates.

I also encourage everyone reading this newsletter to run for the Board. This Club only exists due to the dedicated work of its volunteers including board members, committee members and all of those volunteering to run activities. I have been privileged this past year to work with a group of dedicated board members all willing to bring their best ideas for the future of Fall Line and all those who have given so much for this Club. Fall Line has always been more than just a travel group organizing ski trips. For many of us it has provided lifelong friendships that extends far beyond the ski slopes. I have always been thankful for that day back in the mid-90's when someone told me about Fall Line and I promptly joined. Let's make that opportunity available for future individuals! Consider running for President, President-Elect, Treasurer-Elect, or one of the three at large Board seats. You never know what talents you have until you bring them to this organization.

The book for the month of March 2024 will be:
Dutch Girl: Audrey Hepburn and World War II by Robert Matzen

Twenty-five years after her passing, Audrey Hepburn remains the most beloved of all Hollywood stars, known as much for her role as UNICEF ambassador as for films like *Roman Holiday* and *Breakfast at Tiffany's*. Several biographies have chronicled her stardom, but none has covered her intense experiences through five years of Nazi occupation in the Netherlands. According to her son, Luca Dotti, "The war made my mother who she was." Audrey Hepburn's war included participation in the Dutch Resistance, working as a doctor's assistant during the "Bridge Too Far" battle of Arnhem, the brutal execution of her uncle, and the ordeal of the Hunger Winter of 1944. She also had to contend with the fact that her father was a Nazi agent and her mother was pro-Nazi for the first two years of the occupation. But the war years also brought triumphs as Audrey became Arnhem's most famous young ballerina. Audrey's own reminiscences, new interviews with people who knew her in the war, wartime diaries, and research in classified Dutch archives shed light on the riveting, untold story of Audrey Hepburn under fire in World War II. Also included is a section of color and black-and-white photos. Many of these images are from Audrey's personal collection and are published here for the first time.

Elections Are Coming! Elections Are Coming! Board Members And Trip Leaders Wanted!

Every year Fall Line has elections at the April meeting (the 16th) for different officers and board members. This year we need candidates for President-Elect, Treasurer-Elect, and 3 at-large board members. These folks help keep the club functioning through good times and bad times. Fall Line is not difficult to manage, but it does need management. We work together to coordinate the activities that so many of us enjoy, to remain fiscally sound, and to promote the sport of skiing. The Board meets via Zoom once a month (second Tuesday). The meetings last 60-90 minutes and everyone has a voice. So, very little time is required but that time is important for planning purposes.

If you've enjoyed the variety of activities your club provides, why not consider running for a position and help to make those activities happen. If interested, contact current Fall Line President Nona Ostrove and don't forget to send a short bio to Janice Lynch at jml@sicnj.net. If not the Board, why not volunteer to be a trip leader - whether that be summer or winter.
